

JOB OFFER DISCLAIMER

We, Markolines Traffic controls Private Limited, Markolines Infra Private Limited, Markolines Technologies Private Limited, collectively called as Markolines Group, would like to bring to your notice that Markolines follows a merit-based employee recruitment practice with extensive screening steps. Markolines does not charge/accept any amount or security deposit from job seekers during the recruitment process.

It was observed that there has been an increase in recruitment fraud involving scammers who post fraudulent jobs openings, or who contact job-seekers with fake job offers on Markolines letterhead. These individuals sometimes even conduct fraudulent interviews with an attempt to obtain personal information or money from the applicants. We have also noticed that certain individuals claiming to be from the Markolines Recruitment Team are contacting prospective candidates pretending to represent Markolines with job offers. In case you or any candidate receives any unsolicited or fraudulent communication regarding a job offer or an interview call against payment of money, please stay alert and recognize it as a scam. On receipt of an interview call, to prevent falling victim to the same, the candidate may take some measures such as visiting the official Markolines website to verify the source and authenticity.
